The Blackwater Chronicle: A Narrative of an Expedition Into the Land of Canaan in Randolph County, Virginia

By Philip Pendleton Kennedy

"Pressesstimmen 'Philip Pendleton Kennedy's account of this adventure makes for enjoyable reading today. More than this, however, the book provides both an interesting glimpse into antebellum American literary culture and an important record of the Canaan wilderness before it was despoiled by economic exploitation. These qualities make The Blackwater Chronicle a work of lasting value.'

*Timothy Sweet*, Professor of English, West Virginia University

This wilderness travelogue about the exploration of Canaan Valley, West Virginia was originally published in 1853. With appeal far beyond its time and region, first editions of this chronicle reached New York, London, and even Germany. This often humorous and always fascinating story reveals Kennedy's journey into an unexplored territory. Alle Produkbeschreibungen...
